

A quote request lands at 11 pm. Here's what happens next.

Swipe to see it work

• STEP 1 OF 5 • TUE 23:00

The customer
Email

01

A pool owner writes at 11 pm

"The pump is making a noise. Can someone look?"

• AGE OF AGENTICS

• STEP 2 OF 5 • TUE 23:01

The system
Email

02

It picks out what matters

The address, the problem, how urgent.

• AGE OF AGENTICS

• STEP 3 OF 5 • TUE 23:02

The system
Email

03

One question, so the quote is right

"Can you send a short video of the noise?"

• AGE OF AGENTICS

• STEP 4 OF 5 • TUE 23:20

The customer
Email

04

The video arrives

Everything lands in one place.

• STEP 5 OF 5 • WED 08:00

The owner
CRM

05

The owner prices it over coffee

And sends the quote.

• THE BUILD

Request in

Reads it

Asks one
thing

Video in

Owner
prices

**It waits for the owner on the one step
that matters: the price.**

• THE RESULT

Quoted.

**Answered at 23:02. Priced and sent by
08:00.**

• WHAT STAYS HUMAN

The price is always the owner's.
