AGE OF AGENTICS

Almost lost. Then booked.

Swipe to see it work

STEP 1 OF 6 · TUE 10:04

01

The customer
Website form

A homeowner asks for a garden visit

Through the website form.

STEP 2 OF 6 · TUE 10:05

02

The system
Email

Two free times, in the owner's words

Sent within a minute.

03

The customer
Email

No answer. The day filled up

Two jobs, a delivery, a quote to write.

STEP 4 OF 6 · WED 09:00

04

The system
Email

A short follow-up goes out

"Does Thursday at 11:00 still work?"

STEP 5 OF 6 · WED 09:12

05

The customer
Email

She replies: Thursday works

Twelve minutes later.

STEP 6 OF 6 · WED 09:12

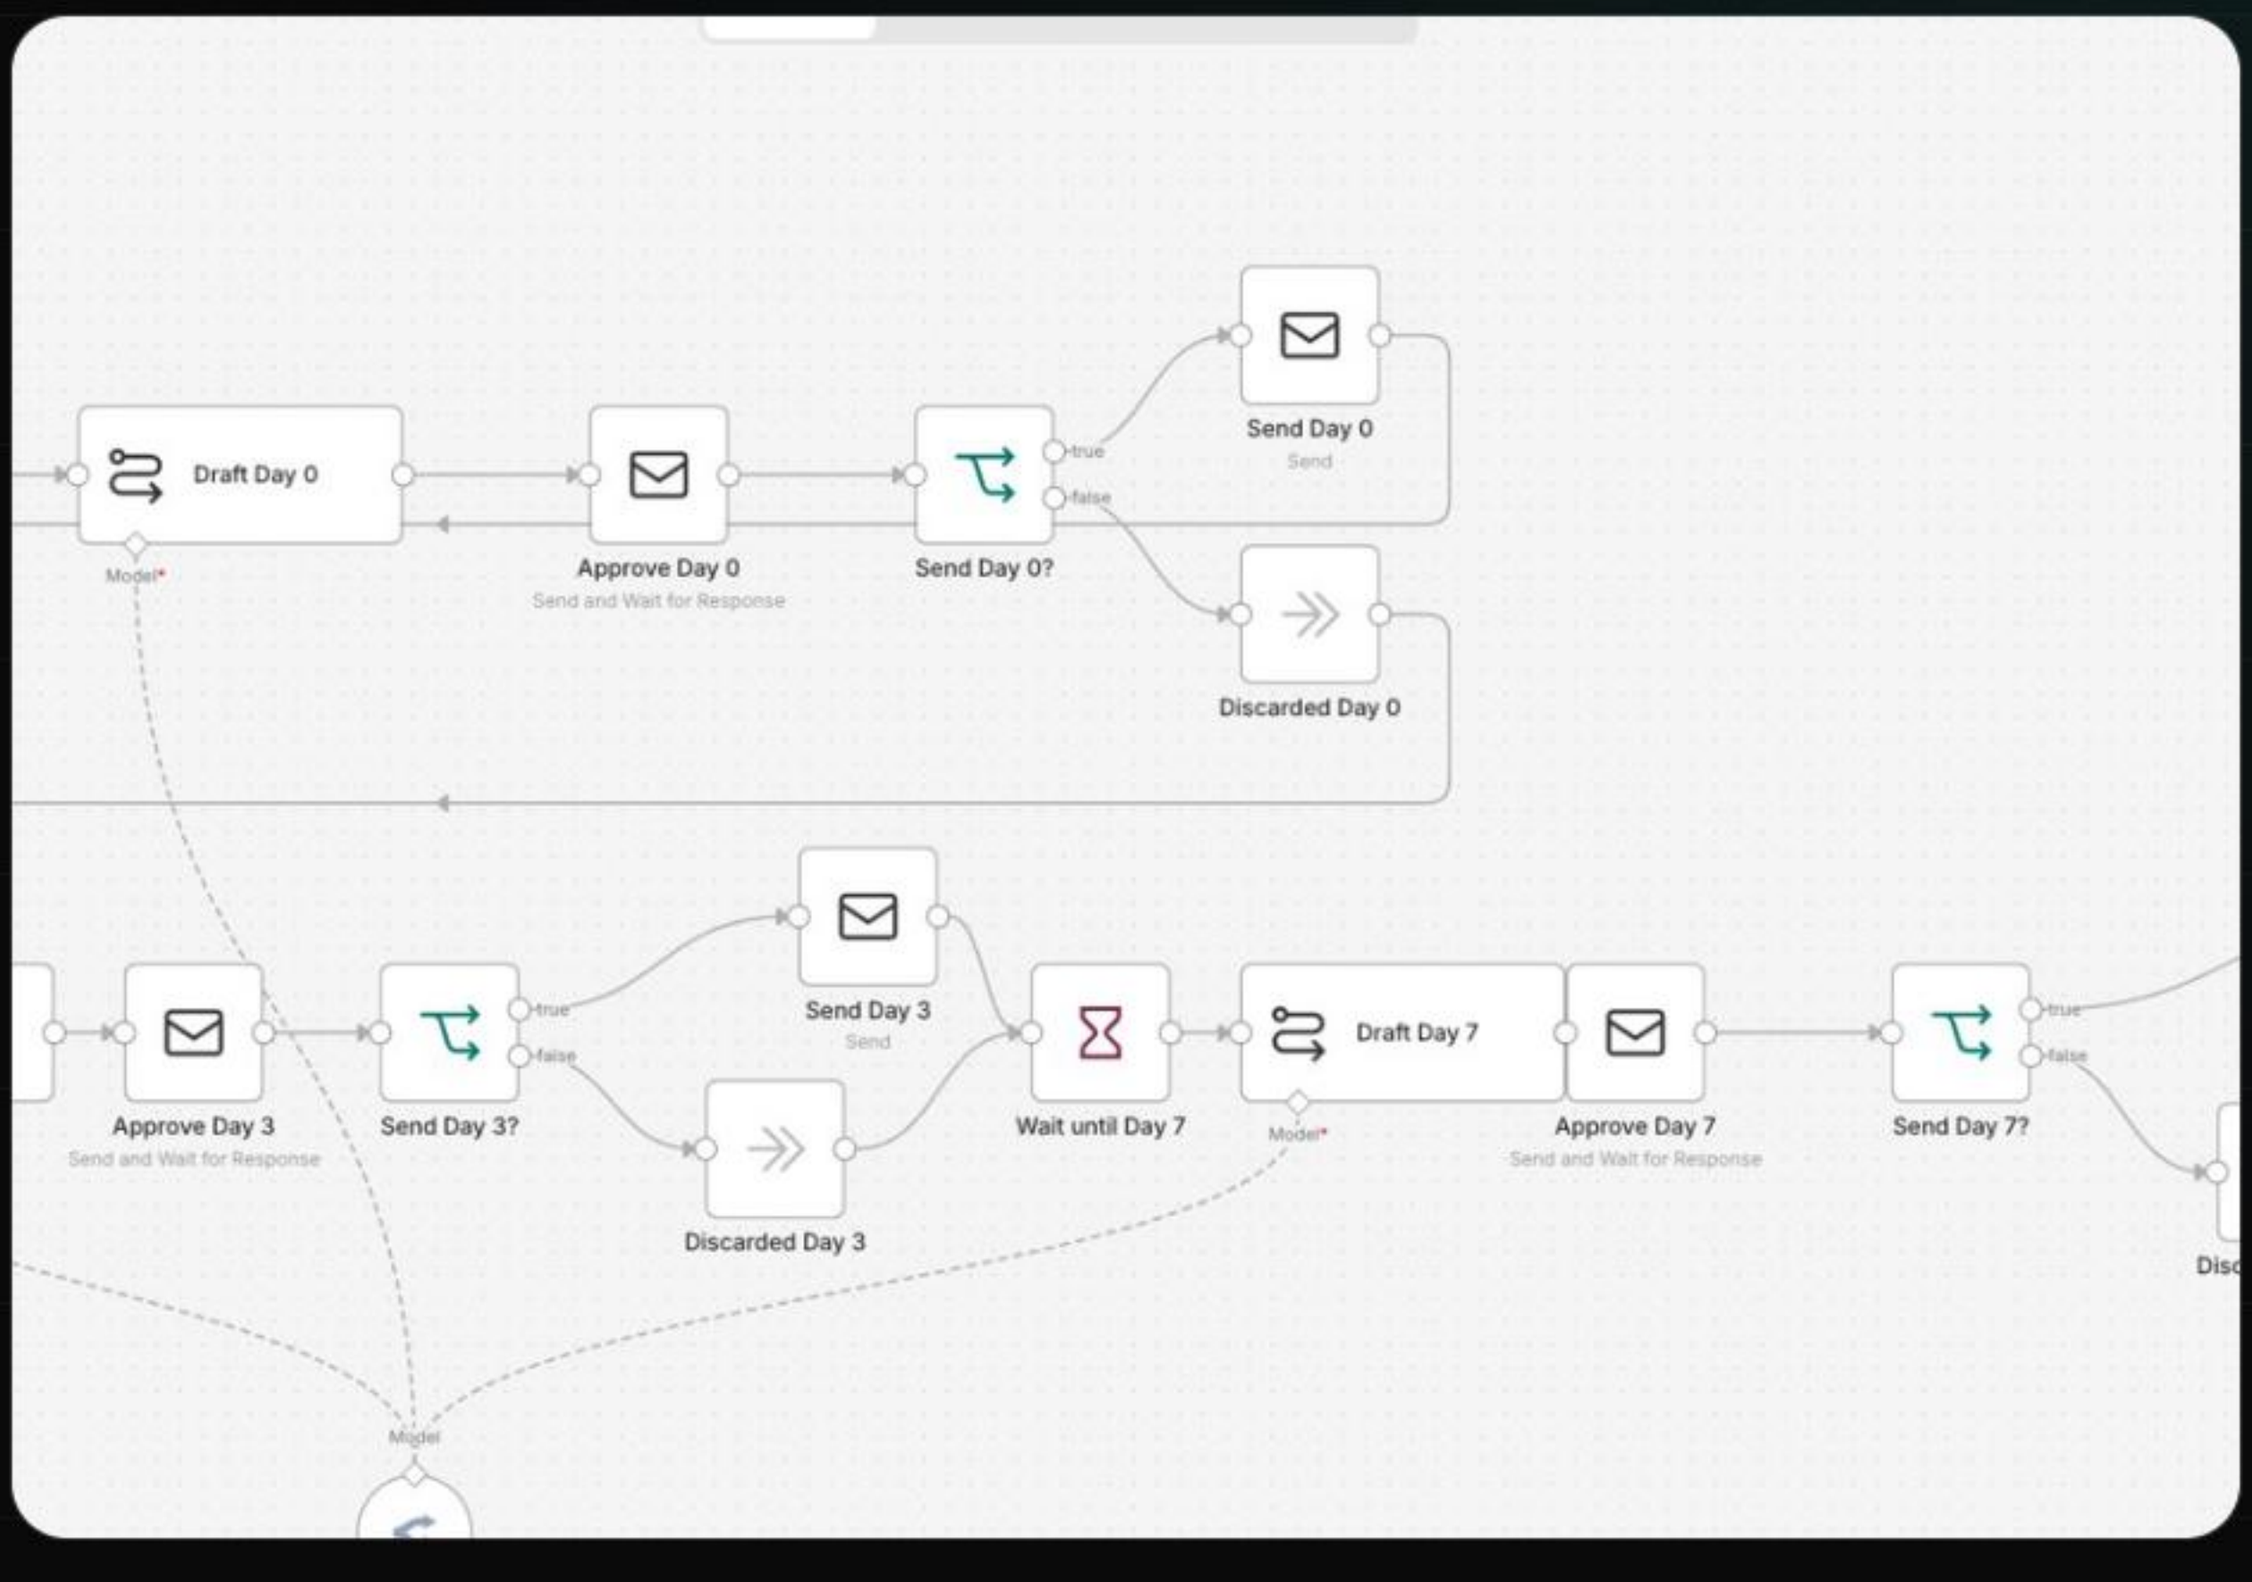

06

The system
Calendar

Visit booked, notes filed

Nobody typed a thing.

THE BUILD

The follow-up is a real build. Three touches, then it stops.

THE RESULT

Caught.

A job that was going quiet, back on the calendar.

WHAT STAYS HUMAN

The owner still walks the garden and sets the price.

Grow More. Manage Less.

Point at the task that eats your week.
