

Five things we would never hand to a system.

Swipe

• AGE OF AGENTICS

• 01 / 05

01

The price.

It needs judgement, and it needs you.

02

Bad news.

When a job goes wrong, the call comes from a person.

03

The first visit.

That is where trust is built.

• 04 / 05

04

A complaint.

Someone upset wants to be heard by a person.

• AGE OF AGENTICS

• 05 / 05

05

Who you work for.

That one is always yours.

• WHAT STAYS HUMAN

Everything around them can run on its own: the confirmation, the address, the reminder, the review request.

Grow More. Manage Less.

Point at the task that eats your week.
