01

A leak under the sink

"Can someone come and look at this?"

• AGE OF AGENTICS

• STEP 2 OF 6 • SAT 14:10

The system
Website chat

02

Two questions, then an answer

Address, and how bad it is right now.

The system
Calendar

03

It offers the free times, from the real calendar

Straight from the owner's real calendar.

04

She picks Sunday at 09:00

• AGE OF AGENTICS

• STEP 5 OF 6 · SAT 14:12

The system
CRM

05

Booked, and written down

Name, address, problem and time, without anyone typing.

• AGE OF AGENTICS

• STEP 6 OF 6 • SAT 14:12

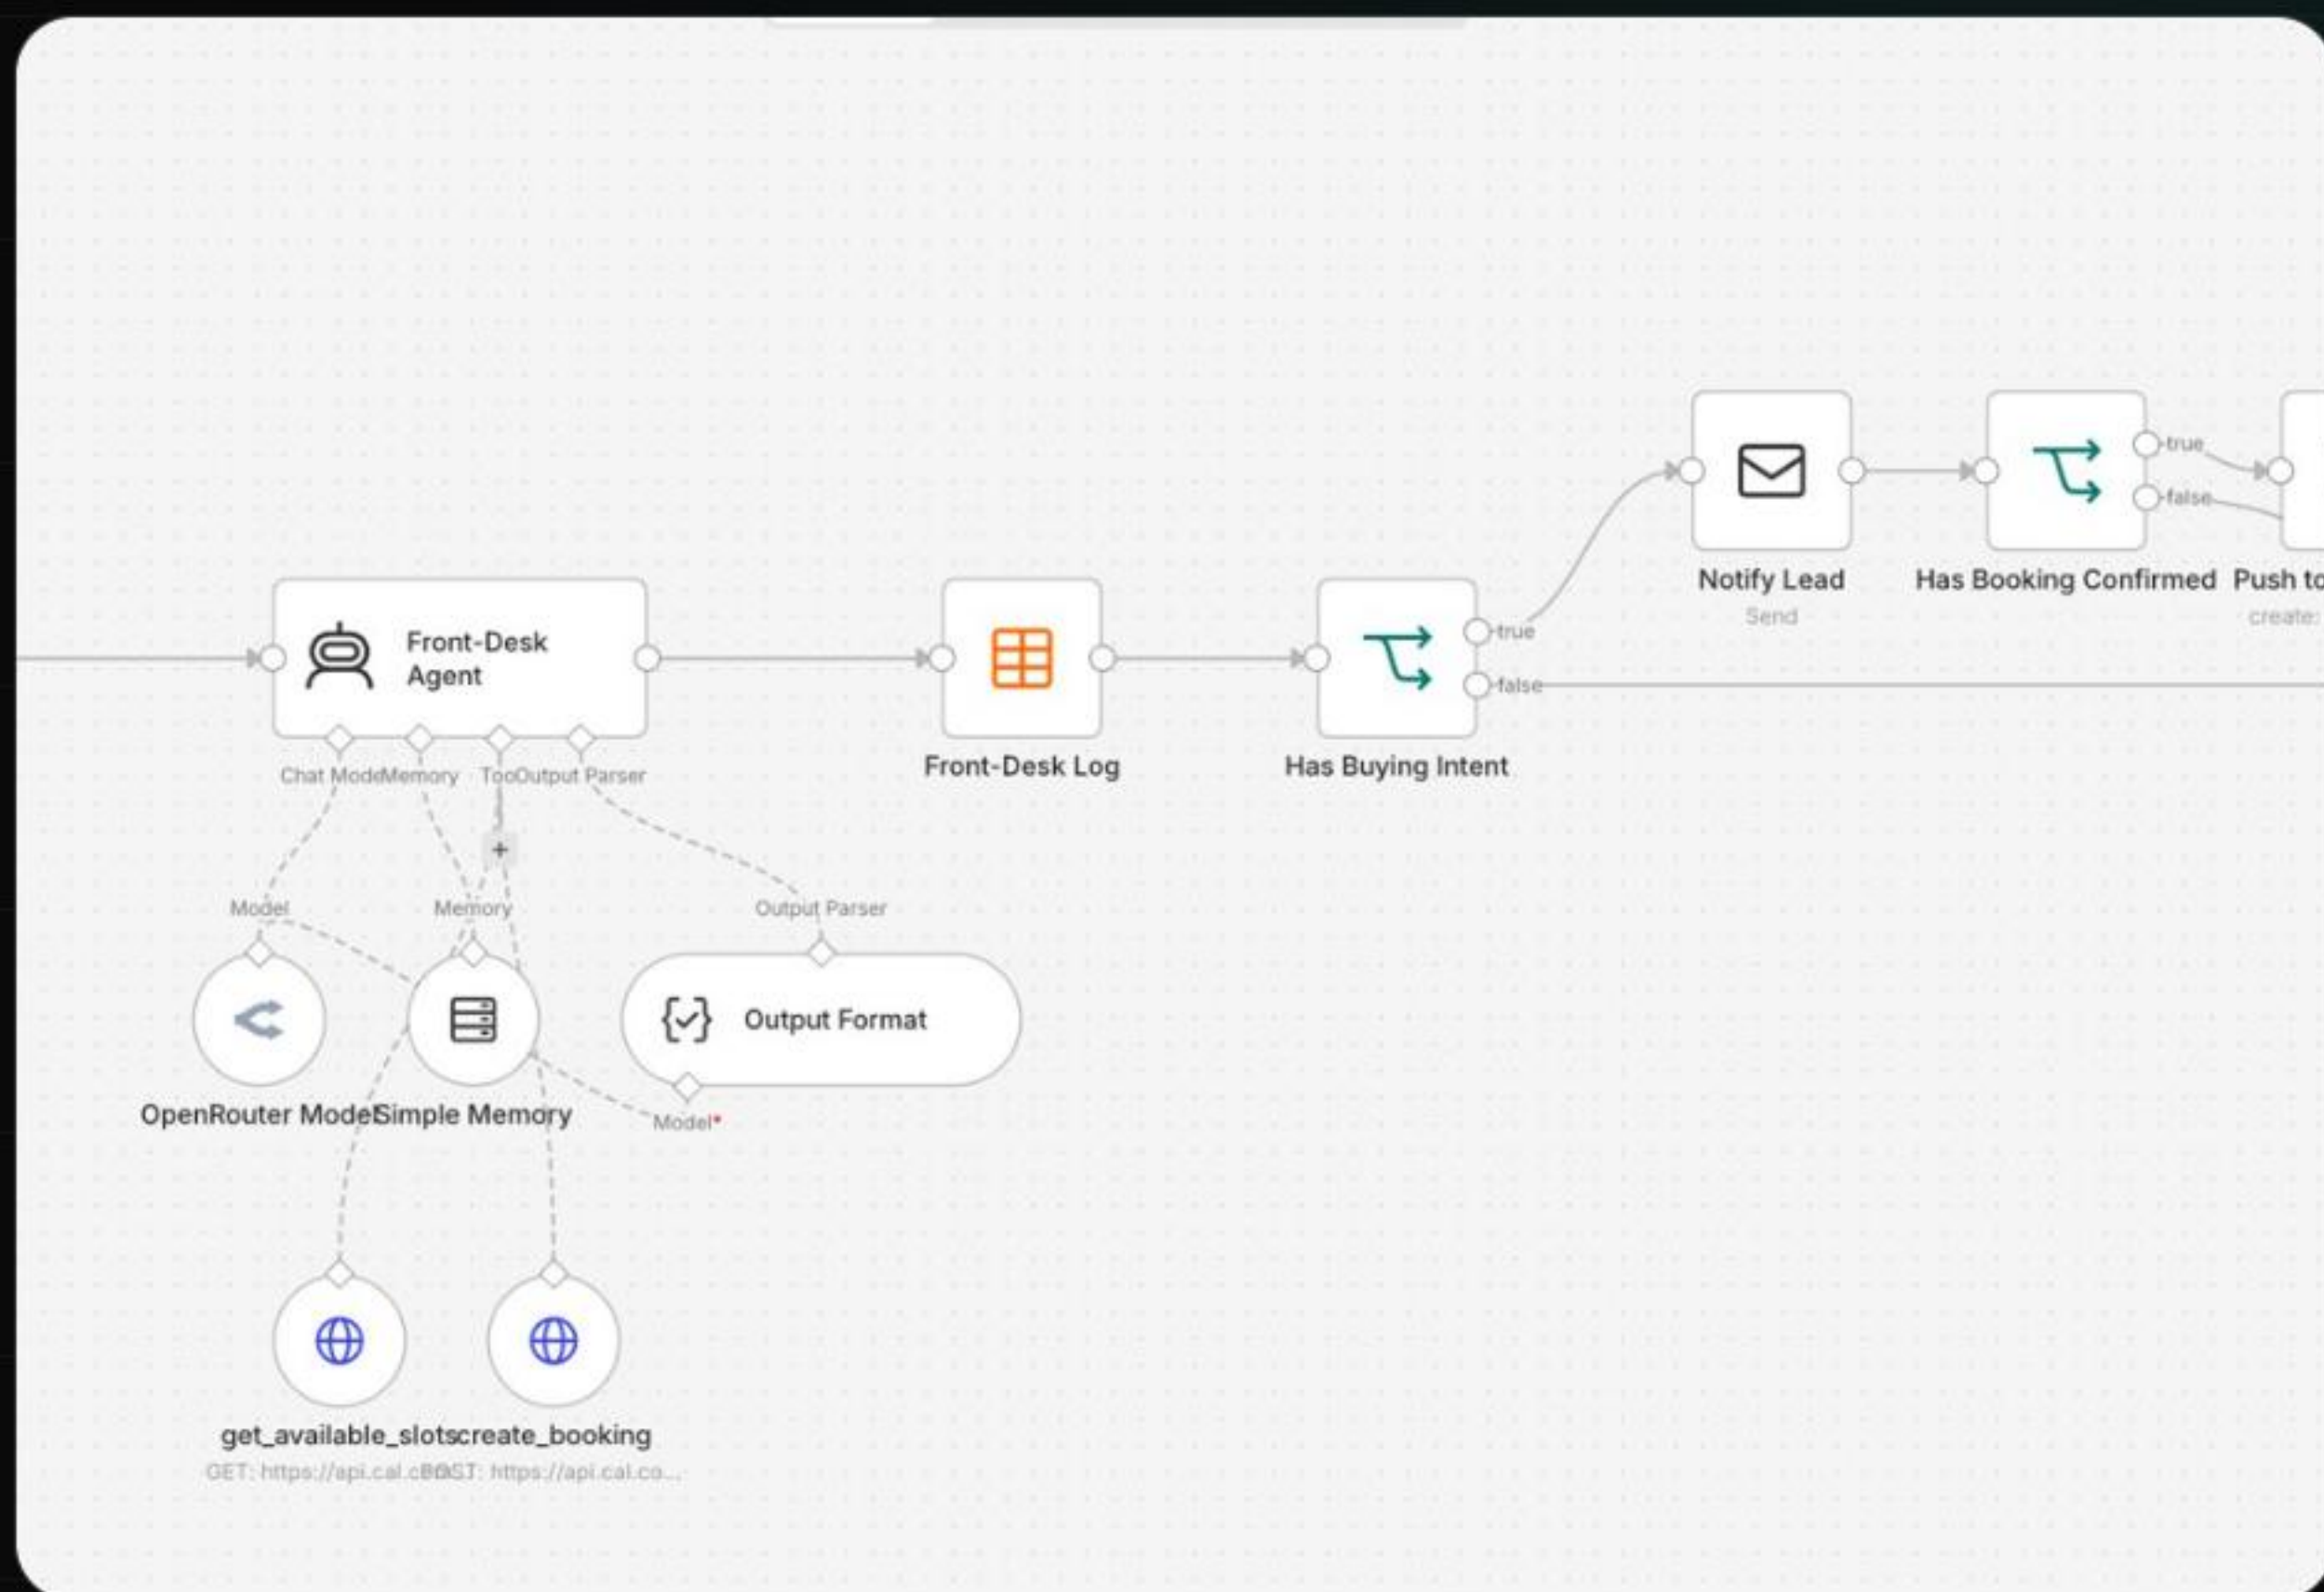

The owner
Phone

06

The owner gets one line

He was under a boiler the whole time.

• THE BUILD

This is the real one. It answers, books, and knows when to stop.

• THE RESULT

Booked.

From first message to a job in the diary, on a Saturday afternoon.

It answers first.
You still decide.
