SAVE FOR MONDAY

4 customers who are due back.

Swipe →

They liked the visit. Life got busy. Four reminders bring them back.

01

Six weeks since the cut.

TODAY

A regular is due, and the diary has gaps.

WITH A SYSTEM

A WhatsApp goes out with two free times. One tap to book.

02

The yearly check-up.

TODAY

It was a year ago. Nobody has it in mind.

WITH A SYSTEM

A friendly email with a booking link, a month ahead.

03

The last of ten sessions.

TODAY

The course ends and the next step is left open.

WITH A SYSTEM

A short message asks how it felt and offers a next visit.

04

The customer from last winter.

TODAY

Seasonal work, and the file is in a drawer.

WITH A SYSTEM

The date is noted, and a message goes out when the season returns.

Past customers, back in the diary.

- [x] Six weeks since the cut.
- [x] The yearly check-up.
- [x] The last of ten sessions.
- [x] The customer from last winter.

Every visit and every conversation stays with you.

Save this.
